AUCTIONEER: COLIN LEWIS

TERMS OF SALE

1. Terms are strictly CASH to the highest bidder. In case of dispute the decision of the Auctioneer will be final. Lots must be cleared and paid for at the end of the Sale.
2. Bids will be executed by the Auctioneer, but forwarding charges, insurance and registration, etc., will be charged to the buyer. Bids from overseas members should be in Sterling and all postal bids must be received by Saturday 2 September 2006.
3. Successful bidders will be notified of their purchases by Pro-forma invoice and lots will be forwarded upon receipt of the FULL remittance in STERLING funds.
4. All lots are sold as genuine (except where offered 'as is') but neither the Auctioneer nor the Society can be held responsible for a wrong description by the vendor.
5. All lots are sold in STERLING FUNDS and must be paid for in STERLING FUNDS.
6. The valuations given in the appropriate column are meant as a guide to those bidders unable to inspect the lots. In many cases the vendor's figures have been checked and adjusted. It is anticipated that most lots will sell at, or a little above, the estimate given. Condition has been taken into account and every effort made to give a clear description for the benefit of the postal bidders. Such descriptions have, of necessity, to be reasonably brief. The Auction Manager is prepared to attempt to give more detailed descriptions of larger lots on receipt of SAE. The numbers stated in general lots and accumulations have not all been checked and must be accepted as only approximate.
7. All lots will be on view at Convention after the Thursday and Friday evening business (never during actual meetings or displays, etc.).

Applications for Postal Viewing will be dealt with in strict rotation. The cost, both ways, must be paid for by the viewer and all lots must be sent back BY RETURN OF POST, with remittance to cover postage, registration, etc. Unfortunately, no lots can be sent for viewing by overseas members nor can any lots be sent out for postal viewing after Monday 21 August 2006. A reasonable number of scans can be sent as jpg attachments by email.

All enquiries, viewing requests and bids should be sent to the Auction Manager.

NOTES

I trust you will find something of interest to bid for in this sale. If you want any additional information about any of the lots please give me a telephone call, send me an email or letter. I can usually accommodate requests for scans or photocopies of lots, but do have to charge you at cost for photocopying and postage.

Remember, this is your auction and material you have for disposal is always required. There is no buyers' premium or VAT so, with that in mind, bidders are often prepared to bid that little extra to secure the lot.

Recently, we have sold some very large collections with excellent results, with much gratitude expressed by vendors. If you have material for sale please send it to me at any time and I will include it in the next scheduled auction. I will help you describe the material if you require assistance. All I need to know is your reserve price for material, that is if you have one, and I will do the rest.

There have been reported difficulties of delay with some catalogue deliveries, to parts of Canada. The problem appears to be within Canada itself as the majority of members seem to be getting their catalogues in sufficient time to execute bids. All catalogues, along with "Maple Leaves", were despatched from our mailing house the first week in January, almost nine weeks prior to the sale. They arrived in Canada in ample time to be distributed well before the auction deadline but some members did not receive delivery until the end of March; two weeks after the auction closed.

A partial solution to this problem has been to place the catalogue, in pdf form, on the Society website at www.canadianpsgb.org.uk

Alternatively, many of our Canadian, American and other overseas members have opted to receive their copies of "Maple Leaves" and other related material, such as the auction catalogue, by airmail. This does increase your annual membership fee a little but prompt delivery is then assured. The additional cost for this service is currently \$7 Canadian or \$5 US

If you want to discuss any aspect of selling or buying in the auction just send me an email or letter, or give me a call on the telephone. If you have bids and it is approaching the auction deadline please communicate by voice, fax or email.
