Having a very
enjoyable visit,
seeing old friends
& long remembered
places. Back in
Vancouver on 27th.

Dorothy

NIAGARA FALLS, Ontario, Canada
A view of the American Falls from Prospect Point. Horseshoe
Falls are shown in the background. In 1954 185,000 tons
of rock slid away from this point, and after the damages
had been repaired an even more exciting view of the outline
and crest of the Falls resulted.
