## TERMS OF SALE

1. Terms are strictly CASH to the highest bidder. In case of dispute the decision of the Auctioneer will be final. Lots must be cleared and paid for at the end of the sale.
2. All bids will be executed by the Auction Manager, but forwarding charges, insurance and registration, etc., will be charged to the buyer. Bids from overseas members should be in Sterling and **all bids must be received by Friday 19th March 2021 at 1200hrs GMT if by e mail or by Thursday 18th March 2021 if by phone or mail.** Receipt of bids will be acknowledged by e mail or phone so if you don't receive this acknowledgement please contact the Auction Manager asap.
3. Successful bidders will be notified of their purchases by Pro-forma invoice (normally by e mail) and lots will be forwarded **after receipt** of the FULL remittance in STERLING funds.
4. Lots will normally be sent out by first class mail (or equivalent) for invoices up to £40 in value or by Royal Mail 'Signed For' service (or equivalent) for invoices over £40. Buyers requiring an alternative service should request this when responding to the pro-forma invoice.
5. All lots are sold as genuine (except where offered 'as is') but neither the Auctioneer nor the Society can be held responsible for a wrong description by the vendor.
6. All lots are sold in STERLING FUNDS and must be paid for in STERLING FUNDS. Payment may be made either by sterling cheque drawn on a UK clearing bank and **made payable to the Society** or via PAYPAL or by BACS transfer. **In the case of PAYPAL payments a surcharge will be applied (normally 5% but may be higher for small invoices) to cover PAYPAL charges. If paying via BACS, all bank charges must be paid by the purchaser.**
7. The estimates given in the appropriate column are meant as a guide to the current retail value of the lots. In many cases the vendor's figures have been checked and adjusted. It is anticipated that most lots will sell at, or a little above, the estimate given. Condition has been taken into account and every effort made to give a clear description for the benefit of bidders. Such descriptions have, of necessity, to be reasonably brief. The Auction Manager is prepared to attempt to give more detailed descriptions of larger lots. The numbers stated in general lots and accumulations have not all been checked and must be accepted as only approximate.
8. **THERE IS NO BUYER'S PREMIUM OR VAT PAYABLE.**
9. Virtually all of the lots in this sale are illustrated in this catalogue. Large and mixed lots have generally been illustrated by showing a sample of the contents. **Lot numbers highlighted in red have illustrations; normally on the adjacent pages.** Should these illustrations prove inadequate, the Auction Manager will be happy to provide additional information or scans or to provide material for Postal Viewing.

Applications for Postal Viewing will be dealt with in strict rotation. The cost both ways, must be paid for by the viewer and all lots must be sent back **BY RETURN OF POST**, with remittance to cover postage, registration, etc. Unfortunately, no lots can be sent for viewing to overseas members nor can any lots be sent out for postal viewing after Monday 1st March 2021. Scans can be sent as jpeg attachments up to Friday 12th March 2021.

**All enquiries, viewing requests and bids should be sent to the Auction Manager.**

## INFORMATION FOR BIDDERS

An estimate is shown against each lot. This is an estimate of the market value of the lot and may be used as a guide to the likely selling price. However, please note that our Auction Manager does not always get it right!

Where vendors have set a reserve price, this will vary widely from 30% to 90% of estimate but will in most cases be some 60 – 80% of the estimate. Where lots are being sold without reserve, this will be clearly highlighted in the description.

This sale includes a few lots donated or sold for Society funds or for Charities. Where this is the case the lot number is followed by a bold \*. Please bid generously in such cases!

### **Our bidding increments are as follows:-**

<b>Up to £10</b>	<b>50p steps</b>
<b>£10 to £20</b>	<b>£1 steps</b>
<b>£20 to £50</b>	<b>£2 steps</b>
<b>£50 to £100</b>	<b>£5 steps</b>
<b>£100 to £200</b>	<b>£10 steps</b>
<b>£200 to £500</b>	<b>£25 steps</b>
<b>Over £500</b>	<b>at Auctioneers discretion.</b>

Please note that these increments do not allow bids such as £25 or £35. We do not accept 'Buy' bids. Bids received which are not in line with the above steps will be rounded down to the nearest bidding increment.

Lots will be sold to the highest bidder at one increment above the next highest bid. Your bid will not be used as a starting price. **In the event of tied bids, the bid received earliest will win the lot.**

The Auction Manager will treat your bids in confidence. Your limit bid will not be used as a starting bid.

For the majority of lot values we have referred to the following catalogues:-

SG - Stanley Gibbons Canada & Provinces 7<sup>th</sup> Edition 2020

CS - Unitrade Specialized Catalogue of Canadian Stamps 2018 Edition

Van Dam catalogue of Revenue Stamps - 1994 edition.

Unitrade Standard Canada Precancel Catalogue - 2000 Edition

Where the abbreviation STC is used, the catalogue value stated is that provided by the vendor and has not been checked by the Auction Manager.

The sale is listed as follows:-

1. Postal History - Mixed and Bulk Lots
2. Postal History - small lots
3. Cancellations
4. Stamps
5. Ephemera
6. All the stuff the auction manager missed the first time around

The Postal History sections of the sale contain many specialised items. Rather than split these into too many sub-listings we have attempted to highlight key words (**in red**) that may draw attention to items of special

interest or unusual destinations. The system is, of course, not foolproof so if you do have specific interests we would advise close inspection of the lot listings to ensure you do not miss something important. Within each section, lots are listed broadly in chronological order.

Please note that although we have made efforts to illustrate the vast majority of lots, the scans are **not to scale** so relative sizes will not be correct. The scans are, however, of fairly high resolution so you will be able to blow them up in size online to get a close up view of the material.

**Oh and remember..... if you see something you like, bid early, bid often and bid high!!**

### **FOREWORD**

This sale contains the usual eclectic mix of postal history and stamps from the BNA area. As with most of our spring sales, this one contains mainly less expensive postal history lots although we have included a few higher priced items to wet the interest. Lots are estimated from as little as £2 up to £500 so there should be something to match most collecting interests and also all pocket books.

As usual, all estimates and bidding are done in £ Sterling although successful overseas bidders will be able to pay invoices in their local currency using PAYPAL or pay via International bank transfer. Whilst the sale contains a wide variety of BNA material, the particular highlights include:-

1. Another good range of World War 2 era covers including some unusual destinations and censorship types and a lot of FECB items
2. A nice range of transatlantic covers - the majority with rate handstamps, including some scarce ones
3. A good range of RPO cancels, including many early types on cover
4. A nice range of the scarce House of Assembly postmarks
5. A very fine mint copy of the \$4 Jubilee stamp of 1897

and much more besides.....

Devotees of our bulk Admiral lots will not find any in this sale but don't despair, I do still have some more in the cupboard, just have not had time to sort them out - look for more in our Convention sale later in 2021.

I hope you can find a few lots to enhance your collection.

Graham Searle

11 January 2021.

230	1858 (31 Mar) stampless cover from Liverpool to Montreal via New York. Placed on board ship in Liverpool so no UK postal markings and carried by the Inman Line steamer ' <i>City of Washington</i> '. Letters carried by this line at this time were treated as Ship Letters in New York, so charged 12 (US cents - handstamp in black on front) being 2 cents incoming ship letter plus 10 cents through rate to Canada. This latter element converted to 7½ (pence - mss mark in black) on arrival in Montreal. Very fine, complete with write up. Note that this cover features in a display on the CPSGB website of BNA transatlantic mail carried by US packets.	£50

233	1868 (18 Dec) entire from London, England to Quebec franked with 6d lilac GB stamp (SG type 104). The letter was sent via the first available ship (first packet principle) which was the Cunard 'Russia' via Liverpool, Queenstown and New York (31 Dec arrival). At this time, the Cunard rate to Canada was the short-lived 7d (or 15 cents) rate and the letter thus incurred a charge of 1d (handstamp in black) converted to 3 cents in Canada (3 handstamp in black). Front also carries an INSUFFICIENTLY/ PREPAID handstamp in black. Light filing fold but nice example of a short lived and scarce route and rate. Quebec receiver of 4 Jan 1869.	£50
