**CLOSING FRIDAY 20TH MARCH 2026**

**1200HRS BST**

**AUCTION MANAGER:- GRAHAM SEARLE *FCPS***

**Ryvoan, 11 Riverside, Banchory, Aberdeenshire, Scotland AB31 6PS**

## **TERMS OF SALE**

1. Terms are strictly CASH to the highest bidder. In case of dispute the decision of the Auctioneer will be final. Lots must be paid for before shipping.
2. All bids will be executed by the Auction Manager, but forwarding charges, insurance and registration, etc., will be charged to the buyer. Bids from overseas members should be in Sterling and **all postal bids must be received by Friday 20th March 2026 before 1200hrs BST if by e mail or by Wednesday 18th March 2026 if by phone or mail.** Receipt of bids will be acknowledged by e mail or phone so if you don't receive this acknowledgement please contact the Auction Manager asap.
3. Successful bidders will be notified of their purchases by Pro-forma invoice (normally by e mail) and lots will be forwarded **after receipt** of the FULL remittance in STERLING funds.
4. Lots will normally be sent out by first class mail (or equivalent) for invoices up to £40 in value or by Royal Mail 'Signed For' service (or equivalent) for invoices over £40. Buyers requiring an alternative service should request this when responding to the pro-forma invoice.
5. All lots are sold as genuine (except where offered 'as is') but neither the Auctioneer nor the Society can be held responsible for a wrong description by the vendor. Note that your Auction Manager will have made an attempt to verify descriptions but he is not an expertising service nor does he always have the time to examine every stamp in large mixed lots!
6. All lots are sold in STERLING FUNDS and must be paid for in STERLING FUNDS. Payment may be made either by sterling cheque drawn on a UK clearing bank and **made payable to the Society** or via PAYPAL or by bank transfer. **In the case of PAYPAL payments a surcharge will be applied (normally 5% but may be higher for small invoices) to cover PAYPAL charges. If paying via bank transfer, all bank charges must be paid by the purchaser. Please note that we are no longer able to accept bank drafts drawn on Canadian or US banks.**
7. The estimates given in the appropriate column are meant as a guide to the current retail value of the lots. In many cases the vendor's figures have been checked and adjusted. It is anticipated that most lots will sell at, or a little above, the estimate given. Condition has been taken into account and every effort made to give a clear description for the benefit of bidders. Such descriptions have, of necessity, to be reasonably brief. The Auction Manager is prepared to attempt to give more detailed descriptions of larger lots and additional scans (e.g. of the back of stamps or covers) can be provided on request. The numbers stated in general lots and accumulations have not all been checked and must be accepted as only approximate.
8. **THERE IS NO BUYER'S PREMIUM OR VAT PAYABLE.**
9. Virtually all of the lots in this sale are illustrated in this catalogue. Large and mixed lots have generally been illustrated by showing a sample of the contents. **Lot numbers highlighted in red have illustrations; normally on the adjacent pages.** Should these illustrations prove inadequate, the Auction Manager will be happy to provide additional information or scans or provide material for Postal Viewing.

Applications for Postal Viewing will be dealt with in strict rotation. The cost both ways, must be paid for by the viewer and all lots must be sent back **BY RETURN OF POST**, with remittance to cover postage, registration, etc. Unfortunately, no lots can be sent for viewing to overseas members nor can any lots be sent out for postal viewing after Friday 6th March 2026. Scans can be sent as jpeg attachments up to Wednesday 18th March 2026.

**All enquiries, viewing requests and bids should be sent to the Auction Manager.**

## **INFORMATION FOR BIDDERS**

An estimate is shown against each lot. This is an estimate of the market value of the lot and may be used as a guide to the likely selling price. However, please note that our Auction Manager does not always get it right!

As this is a club auction, reserves have, in many cases, been set by individual sellers not by the auction manager. As a result, reserve levels can vary a lot from less than 50% to as much as 90% of estimate. In most cases, assume the reserve is around 75% of estimate and **note that bids of less than 70% of estimate are highly unlikely to be successful.**

This sale includes a few lots donated or sold for Society funds. These are indicated by \* beside the lot number. In some cases these will be being sold without reserve but please bid generously in such cases!

**Our bidding increments are as follows:-**

<b>Up to £10</b>	<b>50p steps</b>
<b>£10 to £20</b>	<b>£1 steps</b>
<b>£20 to £50</b>	<b>£2 steps</b>
<b>£50 to £100</b>	<b>£5 steps</b>
<b>£100 to £200</b>	<b>£10 steps</b>
<b>£200 to £500</b>	<b>£25 steps</b>
<b>Over £500</b>	<b>at Auctioneers discretion.</b>

**Please note that these increments do not allow for bids such as £25 or £35 which always end up being rounded down.** We do not accept 'Buy' bids. Bids received which are not in line with the above steps will be rounded down to the nearest bidding increment.

Lots will be sold to the highest bidder at one increment above the next highest bid. Your bid will not be used as a starting price. **In the event of tied bids, the bid received earliest will win the lot.**

The Auction Manager will treat your bids in confidence. Your limit bid will not be used as a starting bid.

For the majority of lot values we have referred to the following catalogues:-

SG - Stanley Gibbons Canada & Provinces 8th Edition 2024

CS - Trajan Specialized Catalogue of Canadian Stamps 2026 Edition

Van Dam catalogue of Revenue Stamps - 1994 edition.

Webbs Postal Stationery Catalogue - 7th Edition 2001

Where the abbreviation STC is used, the catalogue value stated is that provided by the vendor and has not been checked by the Auction Manager.

The sale is listed as follows:-

1. Postal History - bulk or mixed lots
2. Postal History - small lots
3. Postal Stationery
4. Cancellations
5. Stamps - bulk or mixed lots
6. Stamps - small lots
7. Books, miscellaneous and ephemera material along with all the stuff the Auction Manager missed the first time around.

The Postal History sections of the sale contain many specialised items. Rather than split these into too many sub-listings we have attempted to highlight key words (**in red**) that may draw attention to items of special interest or unusual destinations. The system is, of course, not foolproof so if you do have specific interests we would advise close inspection of the lot listings to ensure you do not miss something important to you. Within each section, lots are listed broadly in chronological order.

Please note that although we have made efforts to illustrate the vast majority of lots, the scans are **not to scale** so relative sizes will not be correct. The scans are, however, of fairly high resolution so you will be able to blow them up in size online to get a close up view of the material. **Also note that some of the covers and large stamp lots are held on album pages which can sometimes be hard to scan - so don't be alarmed if some of the scans show edges missing etc. In real life they are all there unless we say they are not!**

**Oh, and remember if you see something you like....bid early, bid high and bid often!!!**

## **FOREWORD**

This sale contains the usual eclectic mix of postal history and stamps from the BNA area. The sale contains lots with estimated values between £1 and £200 with well over 90% of lots being estimated below £50 - very much lotted with the collector in mind. So, even in these times of tight budgets and cost of living crises we hope you can find something to add to your collections that won't break the bank.

As usual, all estimates and bidding are done in £ Sterling although successful overseas bidders will be able to pay invoices in their local currency using PAYPAL or pay via International bank transfer. With your Auction Manager using rather old catalogues for things like Postal Stationery, Revenues and Precancels there are bound to be some big bargains here particularly for our overseas members. Whilst the sale contains a wide variety of BNA material, some of the highlights include:-

1. The final tranche of the extensive Albert Govier Newfoundland collection
2. A nice group of early Alberta and Manitoba cancels
3. The most extensive listing of Postal Stationery lots we have offered in many years
4. Some nice early Canadian stamps from the period 1868 - 1935 being sold in sets or time periods.
5. A nice unmounted mint copy of the 50 cents Bluenose stamp of 1929

I hope you can find a few lots to enhance your collection.

Graham Searle

24 January 2026.
